

Dear Healthcare Provider,

As always, you and the patients you serve are critically important to us. During this time, we will use virtual tools whenever possible to ensure you continue to have access to necessary information and resources. In addition to contacting us with any questions or concerns, you can also go to www.PfizerPro.com for access to product information, patient assistance resources, and Medical Information. Thank you for your understanding.

Sincerely,

[Your Pfizer Oncology Team](#)
